1. The Executive Director kindly requests that Members complete the following survey on obstacles to trade and consumption, which will be used as the basis for a report to the Council, by 24 July 2024: https://www.surveymonkey.com/r/OTCe. The survey questions are also attached in PDF format for information purposes only (Annex I). Please note that only those answers submitted via the link will be considered.

2. Article 24 of the 2007 Agreement (Removal of obstacles to trade and consumption) provides that Members shall endeavour to pursue tariff reductions on coffee or to take other action to remove obstacles to increased consumption of coffee, and shall inform the Council annually of all measures adopted with a view to implementing the provisions of the Article. Document ICC-126-2 contains the latest information available to the Organization on taxes and duties, laws and regulations applied to coffee exports and imports by Member countries. According to the Rules on Statistics – Statistical Reports (document ICC-102-10), Members are required to keep the Organization up to date when revisions on this matter take place in their countries. All Members are requested to examine the information presented in this document with a view to updating their specific situation. Exporting Members, in particular, are requested to provide information on the Value Added Tax (VAT) and other consumption taxes applied on coffee in their countries, as well as taxes on imports and exports.
